SUBJECT

ACHA Fellows' Lecture Series

Contradictions in health: Frustration or excitement? RW Gage, p 35

Abortion

Abortion, limited medical resources, and the meaning of health care. K Anderson, R Anderson, p 231

Aerobics

Aerobics for all ages: A broadband approach to a diverse university population. VD Highstreet, p 125

Athletic Medicine

Nutritional prepartion of athletes: What makes sense? ML McCutcheon, p 247

Campylobacter Enteritis

Camplyobacter enteritis in a college health setting. PC Histand, p 78

Book Review

The complete guide to women's health, by Bruce Shephard and Carol Shephard. S McGrew, p 233

Bulimia

The group treatment of bulimia. HM Weinstein, A Richman, p 208

Cocaine

Cocaine use among the college age group: Biological and psychological effects—Clinical and laboratory research findings. AM Nicholi Jr, p 258

Cocaine use among the college age group: Historical perspective—The long and colorful history of erythoxylon coca. AM Nicholi Jr, p 252

Contraception

Postcoital contraception: Awareness of the existence of postcoital contraception among students who have had a therapeutic abortion. LH Schilling, p 244
Postcoital contraception: Student choices and effectiveness. LH Schilling, p 239

Coronary Risk Factors

Coronary risk factors in Jerusalem. PE Slater, E Belmaker, E Simchen, B Rudensky, P Ever-Hadani, S Harlap, p 266

Cost Analysis—Gynecological Services

Gynecological services utilization by contraceptive clients: A cost analysis. JG Zapka, BW Averill, p 66

DSM-III

Survey of DSM-III use. RL Arnstein, p 110

Health Education

An invitation to experience health. CA Feeney, JP Leonardo, p 270

Herpes

Herpes: Coping and caring—A total college health program. MB Anderson, NC MacNair, p 128

Homosexuality

Homosexuality in the college years: Developmental differences between men and women. AF Henderson, p 216

Hypnosis

The teaching of hypnosis: Outline and method. EB Taub-Bynum, JJ House, p 82

Immunization

Preenrollment immunization policies of American colleges: An assessment of the need for policy implementation. M Collins, JC Meininger, DS Kitz, SS Fager, p 49

Inhalents

Recent patterns of psychoactive drug use among college students: The inhalents. AM Nicholi Jr, p 41

Marijuana

The college student and marijuana: Research findings concerning adverse biological and psychological effects. AM Nicholi Jr, p 73

Measles

Measles and rubella (editorial). JM Dorman, p 48
Measles and rubella on college campuses: The need to act. KJ Bart, DH Stenhouse, p 58
Measles on campus. RW Amler, RJ Kim-Farley, WA Orenstein, SW Doster, KJ Bart, p 53
Measles (Rubeola): The control of an outbreak at a large university. SC Bridgewater, DI Lotz, p 201

Mental Health

Initial communications with the parents of emotionally disturbed university students. WJK Rockwell, p 104
Mental health services for gay students: Gay-straight rap. MC Stites, p 86

Natural Family Planning

The role of the clinician in natural family planning. H Klaus, p 114

PCP

Phencyclidine hydrochloride (PCP) use among college students: Subjective and clinical effects, toxicity, diagnosis, and treatment. AM Nicholi Jr, p 197

Peer Counseling

An anonymous peer counseling system for use with pregnant students. JW Brasseur, p 88
A survey of campus peer counseling activities. P Salovey, VJ D'Andrea, p 262

Pharyngitis

Pharyngitis in the university population (editorial). JM Dorman, p 221
Pharyngitis-Tonsillitis in a college population. CA Ruch, DG Beckwith, p 222
Streptococcal Pharyngitis in a college health population. SR Lundin, JT Arnett, GG Dowler, DC Brentlinger, p 227

Proceedings and Abstracts of the Sixty-First Annual Meeting

Abstracts, p 11
Position statements and awards, p 7
Presidential address. AW Winch, p 3
Report of the executive director. JW Dilley, p 5

Psychiatric Emergency

The college student psychiatric emergency: A descriptive study. RA Perlmutter, AJ Schwartz, CB Reifler, p 191

Psychological Services

Conducting a needs assessment of university psychological services: A campaign of telephone and mail strategies. JE Talley, JC Barrow, KF Fulkerson, CA Moore, p 101

Self-Care

The self-care center for cuts: A model for student development. CJ Mulvihill, p 121

Smoking

Smoking behavior of prospective teachers: A Nigerian case. I Owie, p 205

Smoking Cessation

Self-initiated smoking cessation in college students. R Hellmann, RM O'Shea, FT Schimpfhauser, ML Kunz, p 95

Spiritual Health

Spiritual health—An essential element in optimum health (viewpoint). EWD Young, p 273

Standards and Practices

Recommended standards and practices for a college health program, fourth edition, 1983, American College Health Association, p 135

Support Groups

The emotional problems of medical students: Support groups as a preventive mental health measure. RK Cohen, p 44

Violence

Self-reported incidence of physical violence in college students. KA Miller, EK Miller, p 63

Squeezed By Shrinking Shelf Space?

No need to build an addition to the library now that Heldref Journals are available in microform directly from the publisher.

Selected titles are available immediately. Since Fall 1983, Heldref has been the sole distributor for all of its journals in microfilm.
